Check in time: After 12pm Check out time: By 12pm Unless other arrangements

### Ranch Rules and suggestions:

1. Please only unload in the barn area behind gates for safety. At no time should you take a horse in the office parking area.
2. Locate your stall which is numbered on the front of the stall.
3. You may park your horse trailer in the barn area.
4. Please hang your horse halter on the front of the stall. No horse is allowed to have a halter left on in the stall or pasture.
5. We do provide water buckets but please use your own grain pan or bucket.
6. Please do not feed or treat any horse but your own. If you wish the stable employees to feed your hay and grain to your horse make sure to mark your form or let the office know. We feed at 10am and dusk.
7. Please put your feed in the feed room and your name should be left on a note on the feed.
8. Please keep the barn doors closed when leaving the barn and turn out the lights. The light switch is located to the left of the front of the barn.
9. When you are ready for a ride please refer to the stable map on how to exit to the trail system. Always close gates behind you for horse safety.
10. We do recommend that you take a cell phone with you on your rides so you can contact the office in case of emergency. Please refer to phone numbers listed above.
11. Please use caution at the hwy horse crossing. Only cross if hwy is all clear in both directions. We are not allowed to stop traffic. If your horse is not used to traffic we recommend that you walk your horse across and remount on the other side for safety.
12. If you plan on riding the Cape Mountain Trails we recommend you trailer to the trail head three miles up Herman Cape Road just north of the ranch.

### Ranch Rules And Suggestion Cont:

13. We do recommend that all riders wear helmets for safety.
14. All minors must be accompanied by an adult on ranch property unless other arrangements are made with the office.
15. Please stay on designated trails.
16. Always walk on the trail to the beach and watch out for pedestrians around the corners.
17. All dogs must be on a leash in this area.
18. Do not enter the roped off areas on the four dune. This area is closed to anyone April 15th through September 15th by the Forest Service, for protecting the Snowy Plover bird habitat.
19. If your horse is not used to the soft sand use caution so you don't injure your horses legs.
20. Please stay on the designated trails for you and your horses safety. Avoid standing water in dunes and stay away from the creeks due to quick sand. Make sure that you have solid footing even on the beach.

We here at C&M Stables wish you and your horse a great time and stay here at the beach!
